EDUCATION

Indiana University – Bloomington, IN **May 2026**
Luddy School of Informatics, Computing & Engineering
Bachelor of Science in Informatics
Specialization: Business **Minors:** Human-Centered Computing, Web Design & Development, Marketing
Dean's List: *Fall 2022, Fall 2025*

Barcelona Code School – Barcelona, Spain **May 2025**
Web/Mobile Development Certificate

- Gained an international computing perspective by adapting to a new academic environment and immersing in Spanish culture, while creating and developing web/mobile applications utilizing JavaScript, Node, Express, React.js, React Native, HTML, CSS, and external APIs.

TECHNICAL SKILLS

Programming Languages: Python, PHP, JavaScript, SQL, R
Operating Systems & Platforms: Linux, Mac-OS, UNIX, Railway
Web Development: HTML5, CSS, Bootstrap, Node.js
Frameworks & Libraries: React, Express, Jinja2
Tools & Technologies: Git, Figma, Tableau, Adobe Illustrator, Adobe Express, Premiere Pro, Photoshop, Microsoft Excel

PROFESSIONAL EXPERIENCE

Adobe – Bloomington, IN | *Campus Ambassador* **November 2023 – May 2026**

- Formulated and executed a strategic marketing plan to drive brand awareness, successfully capturing over 250 student leads, engaging with 20 student clubs and 5 professors, further expanding Adobe's campus community.
- Led a series of 4+ immersive technical workshops on Adobe applications, equipping students with practical skills and hands-on experience, directly generating 40 new Creative Cloud account activations at Indiana University.

A2Z Builders – Denver, Colorado | *Project Coordinator* **June 2025 – August 2025**

- Optimized administrative and logistical workflows by preparing, organizing, and delivering critical project documentation with precision and attention to detail, improving overall efficiency and ensuring successful project timelines.
- Managed and coordinated all phases of technical and operational projects, from initial resource allocation and client agreements to scheduling, material procurement, and final delivery, ensuring projects consistently met deadlines and exceeded standards.

All Souls Catholic School – Englewood, CO | *Assistant to the Director* **May 2022 – June 2023**

- Managed projects from ideation to completion, developing and implementing comprehensive logistical plans and coordinating cross-functional resources to transform conceptual goals into successful, tangible initiatives on time and within scope.
- Directed a diverse portfolio of 5+ external partners across vendors, donors, and community organizations, serving as the primary point of contact for all inquiries, ensuring seamless communication, and fostering positive long-term relationships.

PROJECTS

HobbyBloom – *INFO 495: Capstone* **December 2025 – April 2026**

- Spearheaded all front-end design, concept development, and product direction for a PHP/MySQL web application enabling users to discover and explore hobbies, while contributing to backend development and deployment; built collaboratively with a team of four.

Make This Now – *INFO 211: Information Infrastructure II* **October 2025 – December 2025**

- Independently developed and deployed a Python/Flask recipe management application utilizing Jinja2 templating and SQL database integration, enabling users to save, organize, and discover recipes through a clean, intuitive web interface.

Restaurant Rover – *Barcelona Code School* **May 2025**

- Built and deployed a React application that leverages external API calls to surface real-time restaurant data, prioritizing user experience through an intuitive interface, featuring an editorial food-magazine aesthetic and responsive design.

Crimson Thumb – *INFO 300: Human Computer Interaction Design* **September 2024 – December 2024**

- Led a team of 4 on UX design and prototyping for an AI-assisted recycling incentive system, translating user research and iterative testing into a cohesive two-screen experience by developing a consistent design system across a kiosk interface and companion mobile app in Figma.

LEADERSHIP & INVOLVEMENT

Tau Epsilon Kappa – Bloomington, IN | *Alpha Class Founding Member* **January 2026 – May 2026**

- Mentored 5+ freshmen and sophomores, advising on course selection, concentration recommendations, and personalized four-year academic road maps tailored to individual learning styles and career goals.
- Founding member of the Beta Chapter's alumni board, establishing the foundational alumni network and infrastructure for the future of TEK.

Thrive Solutions Club – Bloomington, IN | *Vice President of Information Technology* **April 2024 – May 2026**

- Co-founded a 50+ member consulting club, partnering with small businesses and nonprofits across Boston, Chicago, and Denver to assess challenges, deliver actionable solutions, and drive sustainable growth and business development.
- Collaborated with club members, leading the analysis of business operations and compiling member-driven recommendations to deliver strategic insights and advice, while directing all IT logistics, branding, and graphic design initiatives.

Women In Computing – Bloomington, IN | *Member* **August 2023 – May 2026**
Graphic Design Executive **January 2024 – May 2026**

- Coordinated and facilitated events with leading technology firms and industry guest speakers to foster career development, technical education, and collaboration for students pursuing opportunities in computing and technology.
- Developed and executed a cohesive digital brand strategy and vision, creating graphics and visual content for employer communications and social media, effectively communicating initiatives leading to enhanced member engagement.

Alpha Gamma Delta Sorority – Bloomington, IN | *Member* **January 2023 – May 2026**
Director of Senior Experience **November 2024 – May 2026**

- Launched and managed senior-focused initiatives, creating events and experiences, strengthening alumni connections and career preparation.

Director of Leadership **November 2023 – November 2024**

- Organized leadership programming and workshops for 220+ members, fostering professional development and community engagement.

Indiana University Dance Marathon – Bloomington, IN | *Member* **August 2022 – May 2026**
Dancer Operations Chair **January 2024 – January 2025**

- Directed all logistical and operational aspects for 1,000+ dancers, overseeing scheduling, check-in systems, and morale programs that enhanced participant experiences, leading to over $3 million raised for Riley Children's Hospital.
